IT Winter School@UJ
@UJ.IT.winterschool · Education

Following the very successful online winter school in 2020, an online winter school for Delphi is scheduled from 5 June to 21 August on Saturdays.

Classes will be presented for 10 weeks covering all practical work needed for the grade 12 final examination. Some of the sections will cover the grade 10 and 11 syllabi.

During the week you will be required to complete assignments that will be discussed the next Saturday. Past exams will also be reviewed.
