Step 1

Open any browser and navigate to the following URL: https://ulink.uj.ac.za/index.html

Using the same login credentials, you created while registering, log in.
Step 2

After logging in you will see the general notification for the university and any events or information regarding the university. Click on the “X” that is slightly off centre to the left at the top to close the notification page.
Step 3
The first icon on the page will be the BlackBoard link. Click on the link to redirect you to the online portal.
Step 4
Once you have been redirected, you will see the modules that you are registered for on the left.
Step 5

If you click on one of the modules, you will be presented with the content for the module. You will have to open the folder, once opened the content will introduce you to the style in which the online content is presented.
